

## Christian Poem: Give God Your Burdens

A poem about giving over to God our troubles

### Give God Your Burdens

The Lord's unfailing love  
Can touch your heart today,  
Just give Him all your burdens  
Each time you kneel to pray

Don't keep on holding on to  
The hurts of yesterday,  
You can nail them to the cross  
And then just walk away

But remember as you do this,  
Not to pull them down once more,  
But just leave them there forever,  
Knowing you can trust the Lord

For He has borne it all  
As He hung upon the tree  
So, you can know His freedom  
And walk in victory.
